Tastefully Simple: Juniors maintain slim lead

Last season the T-birds hosted a Tastefully Simple fundraiser with great success. Starting August 17th through September 13th we will pit the Mod's Vs. Jr's Vs. Sr's in a spirited competition to see which team can sell the most. This is combination fundraiser that **both football and cheerleading will do as a team**. Be sure to send friends and family to our website (www.bedfordtbirds.com) to get links for each team in this fundraiser. **We cannot stress enough the importance of this lone fundraiser** - it is planned to be the only one the T-birds would need this year with full participation.

Tailgate @ Varsity Game: September 11th September 11th we will be tailgating before the high school football game behind the JR High. T-Birds and their families will be provided with Pop, Chips and a hot dog courtesy of T-Birds. The players and coaches will be admitted to the game for free and form a "tunnel" the varsity players will run through onto the field. Families wishing to attend the game will have to purchase tickets at the gate. Coaches will not be responsible for any children at the tailgate or after the "tunnel" so please have responsible adult with all children. **Approx start time of tailgate 5:30pm.**

Weigh-In: MANDATORY ATTENDANCE

Saturday September 12th 11 am - be there absolutely no later than 10:45 am - All new players (in the league) must have birth certificate turned in before this date - if you do not weigh-in you will not play.

Line adds:

There will be 20 line adds sold for the field day program for \$5 each. First come first serve on these. More info to follow on when these will be sold.

League Dance: November 7th - Adults only. More information to come.

**MOD's Detroit Lions Game Tickets contact:
Robin Lake (734) 847-6608 or Molly Keysor (419) 340-2619**
