First Home Game

I would personally like to thank all the volunteers that helped at our first home game of the season. It was a HUGE success. The weather was great and we had one incredible turnout at the field. Every volunteer from concessions to clean up did a great job - we were complemented by both the visiting team and the commissioners on how nice it is to come to our field! Thank you again and keep up the great work for the kids!

Due to many requests the Tastefully Simple EXTENDED until Sunday 9/20:

Too close to call at this time!!!

This fundraiser has been extended through September 20th! We are pitting the Mod's Vs. Jr's Vs. Sr's in a spirited competition to see which team can sell the most. This is combination fundraiser that **both football and cheerleading will do as a team. We cannot stress enough the importance of this LONE fundraiser** - it is planned to be the only one the T-birds would need this year **with full participation**. As a reminder use the link on the T-birds website (www.bedfordtbirds.com) to get to the T-Birds fund raising page. After looking through the on-line catalog, choose what you would like and when you are getting ready to check-out you will want to link your order to a party (this is how we make sure the Mods, Juniors or Seniors get credit).
